

INSTALLATION INSTRUCTIONS

HTLYM0205

Parts

A: Tubes(3pcs)

B: Body

C: Socket

D: Shade

E: Socket ring

F: Bulb(not included)

STEPS:

- 1) Carefully remove all parts from package and make sure no parts are missing
- 2) Screw tubes (A) onto body (B) in a clockwise direction
- 3) Place shade (D) onto the socket (C) and lock it with socket ring (E).
- 4) Screw the bulb (F) into the socket (C).

Slightly adjust on shade and connection hardware to set it level which may come compressed during transportation .

IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not alter the plug.
