SAFETY WARNING

1. Follow the information on the warnings appearing on the upper bunk bed end structure and on the carton. Do not remove warning label from bed.
 2. Always use the recommended size mattresses or mattress supports, or both, to help prevent the likelihood of entrapment or falls.
 3. Do not allow children under 6 years of age to use the upper bunk.
 4. Periodically check and ensure that the guardrail, ladder, and other components are in their proper position, free from damage, and that all connectors are tight.
 5. Do not allow horseplay on or under the bed and prohibit jumping on the bed.
 6. Always use the ladder for entering and leaving the upper bunk.
 7. Do not use substitute part. Contact the manufacture or dealer for replacement part.
 8. Use of a night light may provide added safety precaution for a child using the upper bunk.
 9. Always use guardrails on both long sides of the upper bunk. If the bunk bed will be placed next to the wall, the guardrail that runs the full length of the bed should be placed against the wall to prevent entrapment between the bed and wall.
 10. The use of water or sleep flotation mattresses is prohibited.
 11. **STRANGULATION HAZARD** - Never attach or hang items to any part of the bunk bed that are not designed for use with the bed; for example, but not limited to, hook, belts and jump ropes.
 12. Keep these instruction for future reference.

 14. Be certain all staples are out of the box before beginning assembly on the shipping carton.
