4. Installation must be carried out by qualified electrician only.
5. Disconnect the power before installing, cleaning and replacing lighting.
6. Never cover the lighting when power is connected.

Using the following tools:

gloves

INSTRUCTIONS

1. Take out all lamp parts. The picture below shows the exact items that you receive in this product. Please note that this picture may look different from the computer-generated part table. The parts in the part table are not assembled but some parts in this picture are assembled, so there may be fewer items in the picture than in the table.

2. Part Table

Please note: The parts in this table are completely unassembled, for illustrative purpose. In the actual product that you receive, some parts are assembled and attached together.
