# Operation and Warranty

## Operation:

**Defogger  
Switch**

**Light Switch  
/ Brightness  
Adjustment**

1. The button is white when it opens and blue when it closes.
2. Touch and hold the light switch to change the brightness.
3. Both switches have the memory function. The next time you open the mirror, it will be in the same status as it was closed.

## Warranty:

All shipments are carefully inspected and counted before leaving our distribution centers. Please inspect carefully on receipt of merchandise, noting any discrepancy or damage on the carrier's freight bill at that time.

**We offer a 1-year Limited warranty on our mirror products.**

Defective products should be returned to place of purchase for replacement. Returns will be handled by product replacement. Defects or damage caused to product by the consumer are not accepted.
