# Step 11

# Step 12

**NOTICE:**

You can scan the QR code here and download an app that can control the color of the light strip like a remote control. When your phone plays music through the app, the color of the light strip will also change according to the strength of the music.

**NOTICE:**

When you use the remote control board to control the color of the light, Please remove the clear plastic card first, then please be sure to point the remote control at the color controller K.
