Certificate Number UL-CA-2240603-0
Report Reference E355047-20221027

Date 4-Nov-2022

Issued to: LETARON ELECTRONIC CO LTD

No. 253, Junma Road, Hengli Town Dongguan, Guangdong

523460 China

This is to certify that representative samples of

FKSZ8 - Light-emitting-diode Drivers Certified for Canada -

Component

See Addendum Page for Product Designation(s).

Have been evaluated by UL in accordance with the component requirements in the Standard(s) indicated on this Certificate. UL Recognized components are incomplete

in certain constructional features or restricted in

performance capabilities and are intended for installation in complete equipment submitted for investigation to UL LLC.

Standard(s) for Safety: CSA C22.2 No. 250.13, 4th Ed., Issue Date: 2020-04,

Revision Date: 2021-1

Additional Information: See the UL Online Certifications Directory at

https://iq.ulprospector.com for additional information

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Recognized Component Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Recognized Component Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Recognized Component Mark on the product.

Certificate Number UL-CA-2240603-0 Report Reference E355047-20221027

Date 4-Nov-2022

This is to certify that representative samples of the product as specified on this certificate were tested according to the current UL requirements
