Before Beginning Assembly:

- Read instructions, cover to cover-

- Have 2 adults on hand for assembly-

- Do not assemble on flooring or carpet-

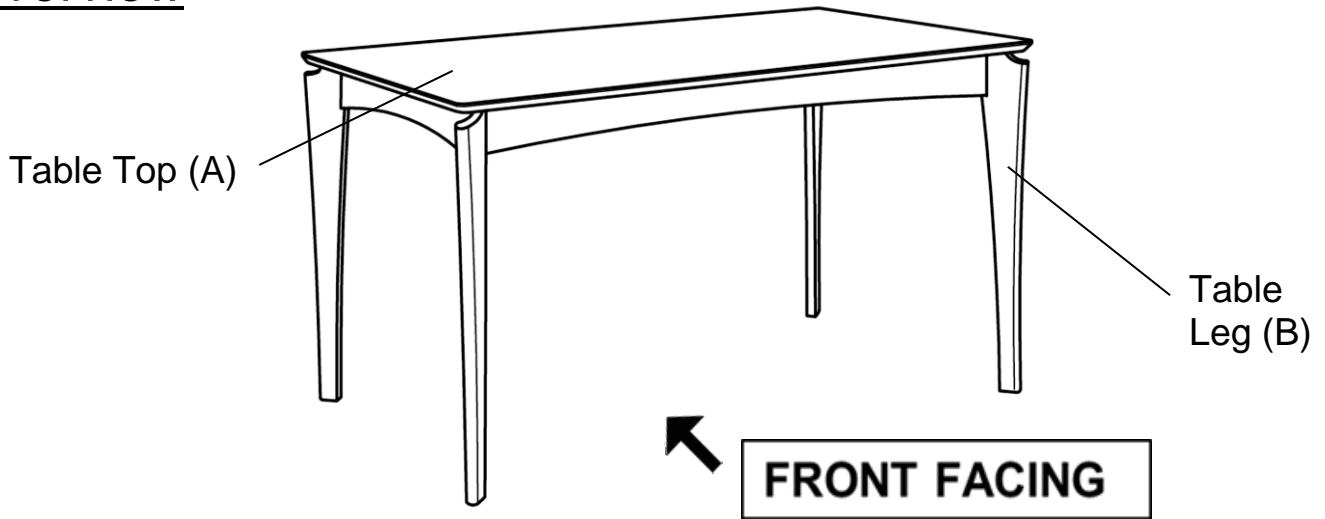

- Assemble on a clean non-marring surface (packing foam)-

- Save all packaging until finished-

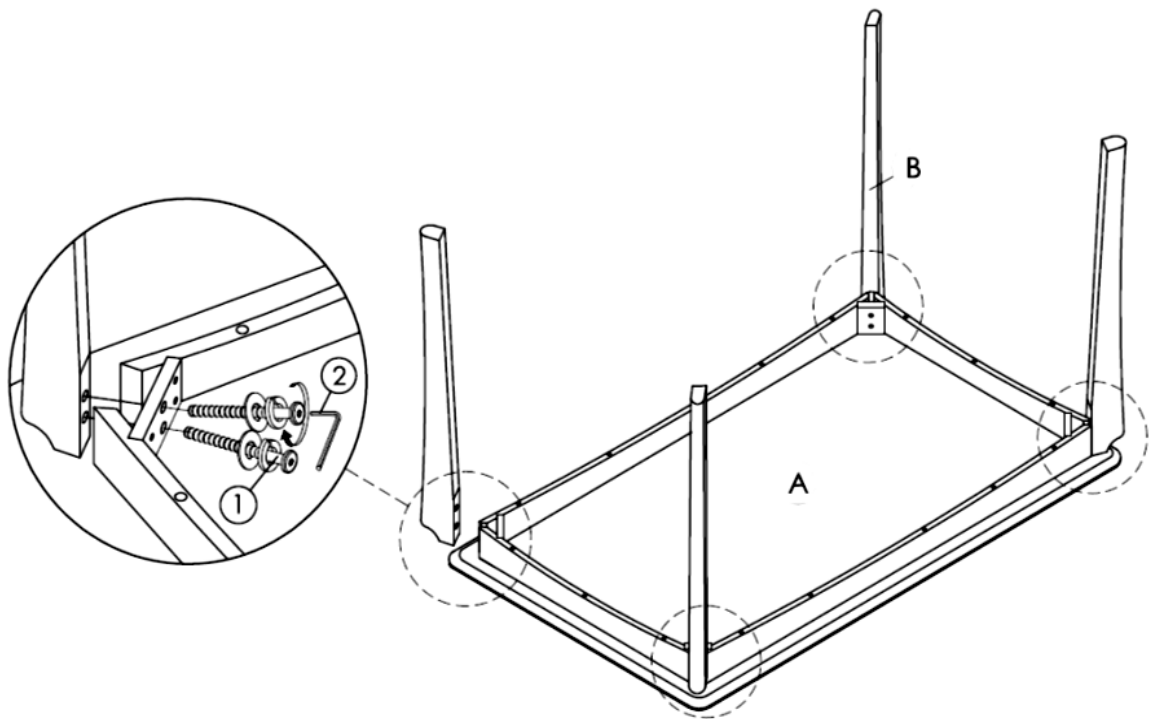

# Assembly Steps

## Overview

This Dining Table has multiple parts and may require up to 30 minutes to assemble. To give you an overview of the Dining Table parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

## Step 1

**Note: The Table and its parts are heavy, two adults are required whenever lifting and moving them.**

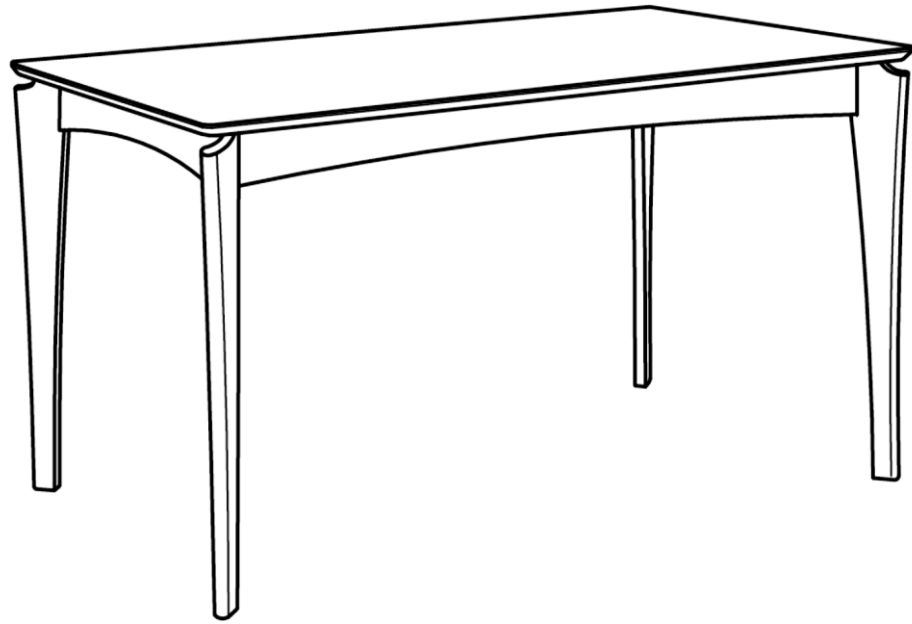

Place the Table Top(A) facedown onto a clean, non-marring surface.

Align the Table Legs(B) to Table Top(A).

Attach Table Legs(B) to Table Top(A) using JCBB Bolt Sets(①) with Allen Key(②).

**Do not fully tighten the Bolts.**

## Step 2

Stand the Table up, with assistance from your adult partner.

Exert pressure floorwards, onto the Table with both your hands.

This pressure will help the Legs and Table Top reach full alignment status.

Check for wobbles on a LEVEL surface.

If no wobbles are found proceed to tighten the Bolts in a sequential manner, until evenly secured.

**When tightening the Bolts tighten sequentially.**

**Do not tighten any Bolt fully and then move on towards the next one.**

**If there are still wobbles, loosen the Bolts and excute the same above process.**

Your Dining Table is now ready for use.

**This Dining Table can only used on a flat, level surface.**
