Usage Guidelines:

To maintain the beauty and functionality of your side table, please follow these care instructions:

- **Cleaning the Frame:**

Dust the frame periodically with a soft, dry cloth. For more thorough cleaning, use a soft cloth dampened with a mixture of mild soap and warm water.

Avoid using abrasive cleaners or harsh chemicals, as these can damage the finish.

Dry the frame thoroughly with a soft cloth to prevent rust.

- **Maintaining the artificial stone Top:**

Clean the artificial stone surface with a soft, damp cloth and mild soap. Avoid acidic or abrasive cleaners, as they can damage the artificial stone.

Wipe up any spills immediately to prevent staining. artificial stone is porous and can absorb liquids, leading to permanent stains.

For added protection, consider using coasters and placemats to prevent scratches and stains from hot or wet items.

Periodically seal the artificial stone top with a suitable artificial stone sealer to help protect against stains and moisture. Follow the manufacturer's instructions for the sealer application.

- **Placement and Use:**

Place the table on a flat, level surface to ensure stability.

Avoid placing the table in areas with excessive humidity or direct sunlight, as this can affect both the artificial stone and metal materials.

By following these care instructions, you can help keep your side table in excellent condition and continues to enhance your living space for many years.
