

Product Care Instructions

WINE RACK

CAUTION: You must read this before you proceed.

Product Description:

MODERN INDUSTRIAL: Our tabletop wine rack incorporates a sleek metal frame with a refined geometric design to create an understated modern industrial design. Featuring stunning diamond slots for your wine bottles, this accessory offers a chic aesthetic to any home. This piece offers 7 bottle slots for your wine bottles, making it easy to store your items while also offering a stylish appearance for your home.

Usage Guidelines:

- **General Maintenance**

1. **Regular Cleaning:**

Dust the wine rack regularly using a soft, dry cloth to keep it free from dust and dirt.

For more thorough cleaning, use a damp cloth with mild soap and water. Make sure to dry the rack completely to prevent rust.

2. **Avoid Harsh Chemicals:**

Do not use harsh chemicals or abrasive cleaners, as they can damage the iron finish and cause corrosion.

- **Rust Prevention**

1. **Moisture Control:**

Keep the wine rack in a dry area to prevent rust formation. Avoid placing it in humid environments.

If the wine rack is in a humid area, consider using a dehumidifier to reduce moisture levels.

2. **Protective Coating:**

Apply a protective coating such as a rust-resistant spray or wax to the iron surface periodically to prevent rust and corrosion. Follow the instructions on the product for the best results.

- **Handling and Placement**

1. **Gentle Handling:**

Handle the wine rack with care to avoid scratches and dents, which can expose the iron to moisture and lead to rust.

2. **Stable Placement:**

Place the wine rack on a stable, level surface to prevent tipping and potential damage.

- **Regular Inspections**

1. **Check for Rust:**

Periodically inspect the wine rack for any signs of rust or corrosion. If rust spots are found, gently sand the area with fine-grit sandpaper and apply a rust-resistant coating.

By following these care instructions, you can help keep your wine rack in excellent condition and continues to enhance your living space for many years.
