Sofa Features (Listed for Reference):

The surface is made of smooth, breathable, high-grade, skin-friendly velvet fabric.

The sofa's total length is 218cm, featuring unique metal legs and two seat cushions, making it more grand.

The armrest sides have vertical stripes, adding refinement to the sofa.

The seat cushions are removable and washable, but washing is not recommended. For daily care, wipe gently with a damp cloth that does not release water. For stains, use a professional fabric cleaner. Do not dry clean, only water wash at temperatures below 40 degrees Celsius. Avoid direct sunlight.

The seat cushions are made of high-resilience sponge and springs, providing a comfortable seating experience.

The seat cushion design includes lines, giving the entire sofa a more three-dimensional look.

The sofa arms have two square metal decorations, appealing to younger customers.

The sofa legs are at a 90-degree angle with additional central legs, ensuring the sofa's load-bearing structure aligns with mechanical principles, making it more solid and durable.

The sofa includes two small lumbar pillows (Dimensions: 26*60cm, same color and fabric as the sofa), which can be used for lumbar support or as hand-held cushions.

The sofa is fully disassembled for delivery, recommended to be assembled by two people. Enjoy the fun of assembling the sofa with your family upon receipt.

The sofa uses 300-pound cardboard packaging for better protection during transport.
