

ECHOSMILE POP UP TENT INSTRUCTIONS

Contents

① Tent X 1

② Peg bag X 1

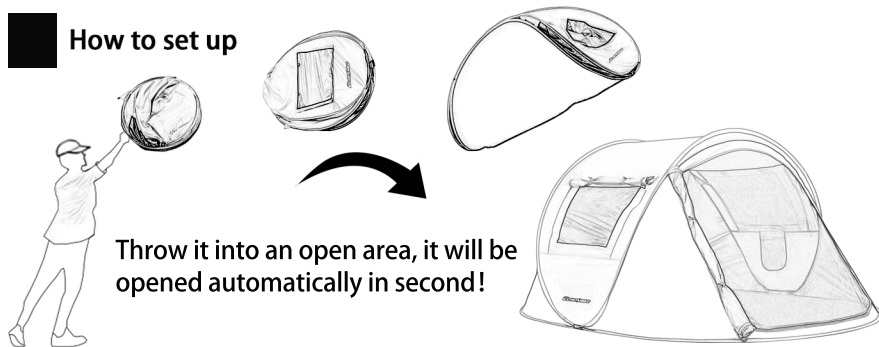

③ Ropes X 4

④ Tent Pegs X 8

How to set up

Throw it into an open area, it will be opened automatically in second!

⚠ The tent will automatically open after being unfastened. Please throw it toward empty areas after unfastening the straps to guarantee the safety of yourself and the people around you!

Attention

1. Make the tent free from sharp objects, such as stones, grass roots, nails, etc.
2. Do not set up the tent near the fire
3. Please set up the tent on the flat ground
4. Please check the tent accessories every time before you erect it
5. Tent entrances and exits should be free from the draught

Maintenance method

1. Clean the tent, poles, pegs and other accessories after use
2. Please keep it in a dry and clean place
3. Please store it separately to avoid pressure
4. Do not use detergent to clean
5. Do not use washing machine for cleaning

How to fold

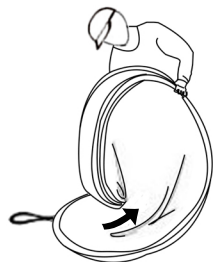

1. Get the tent ready and fold 4 poles together.

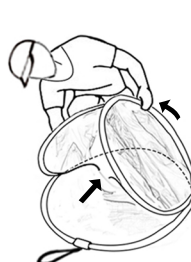

2. Holding the tent upright (with the black straps facing down).

3. Bend the top of the tent inwards towards the centre of the tent.

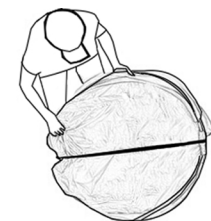

4. Continue to tuck the top into the base to form two large circles.

5. Bend inward to avoid rebound. Release one circle on your left hand and then push it under the other circle.

6. Press down the top circle directly.

7. Find the tent strap and fix it around the middle of the tent. Then place the tent into the carry bag.
